

Fantastic Family Fun !

The annual **Fords and Friends Show & Shine** is an excellent opportunity to see hundreds of unique show cars along with fun events that the whole family can enjoy.

Come on out and ride the miniature train, enjoy great food, listen to live music by **Rukus**, try your luck on 50/50 draws and visit Heritage Acres just for starters.

You will also be able to cast your vote for the best cars in the show. Owners & builders will be there to tell you all about their fabulous cars and trucks. Don't forget your camera!!

We are very pleased to be able to offer the added bonus of included attendance for the Saanich Artifacts Historical Foundation. Discover many wonderful displays and working models of early rural life on the island. **ENJOY!**

Fords & Friends

Car Show & Shine July 19, 2015

www.earlyfordv8victoria.com

We are a group of car and truck enthusiasts who have a passion for the engineering, quality, style and detail of early Ford motor products. We encourage the preservation and restoration of these vehicles by educating and inspiring both experienced and amateur car lovers as to the unique style and quality of early Fords. Our goal is to share our passion and knowledge of early Fords and to increase our membership and following throughout Southern Vancouver Island.

The annual Fords & Friends event is now in its 35th year and increasingly popular throughout the Pacific Northwest. Display cars include all makes and models that are pre 1986, classic or modified.

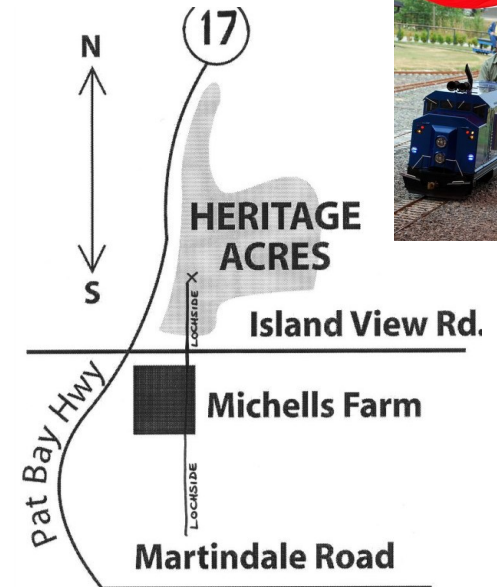

The V8 club #109 is a non-profit association and we are proud to support Camosun College through an annual bursary and the Times Colonist Christmas Fund.
